Hola! I am Miss Hayre and I am looking forward to being your teacher next year! You might be thinking Year 3 is a hard year but there are so many topics you will enjoy learning. You will even be able to learn some Spanish! My favourite subject is geography because I like learning all about the world – what's yours?

When I am not in school teaching, I enjoy spending time with my family, particularly my nieces, travelling to different places and sitting back and watching Formula 1.

I can't wait to hear what you get up to over the summer holidays and how you've relaxed. So enjoy your holidays and I cannot wait to see you in September.
