

# Year 4 Homework

Autumn 2 — Friday 27th October — Monday 18th December

## Project

Hand in date: Monday 17th December

*We expect at least five of these projects to be completed over the half term. You may use your project book or present in other formats. Can you earn your half term certificate in recognition of your project?*

This half term our topic is Animals including Humans

Please carry out some research about this topic.

Children you will present your project to your class at the end of the half term.

Below are some ideas about how you could present your project-

- Compare human teeth with the teeth of an animal. How are they the same? How are they different?
- Create a model of a tooth. What are the different parts of a tooth?
- Create a power point about animal food chains.
- Create a fact file about the different types of teeth and their function.
- Write a poster about How To Clean Your Teeth.
- Discuss why a carnivores teeth are different to that of a herbivore?

Project Books only need to be returned to school on this date.

## English

Spellings-

Children will have a spelling test each Friday and bring home their score.

## Education City

Please check for tasks set by the teachers on Education City each week. Feel free to use it independently also.

## Time Tables Rock Stars

You can use Rock Stars to practise your timetables!

## Maths

Multiplication facts-

In year 4 children will be using all of the times tables from 2x to 12x to help them to solve problems. Please continue to practise these timetables. If you know them all move on to the corresponding division facts.

When children are tested they will bring home their scores.

## Reading

Your child will bring a book home every Friday. These should be returned each Friday.

(Reading journals will not be used at this present moment). Children will read to the teacher and answer comprehension questions each week.
