

# Year 5 Homework

Friday 4th November – Monday 12th December

## Project

**Hand in date: Monday 12th December**

*We expect at least one of these projects to be completed over the half term. You can do as many as you wish! Be as creative as you like. You may use your project book or present in other formats. Can you earn your half term certificate in recognition of your project?*

This half term our Geography topic is climate change. Children you will present your project to your class at the end of term. Below are some ideas about how you could present your project-

- Research Climate change and global warming . Present as you wish
- Design and make a new recycling machine – think about what appropriate materials are needed.
- Look at Antarctica and discuss how climate change has affected the land. Present as you wish.
- Create a magazine about the Climate change.
- Write a newspaper report about the Australian wild fires
- Look at how Climate change has affected animals. Present as you wish.

## English

### Spellings

Children will have a spelling test each Friday and bring home their score.

## Maths

### Multiplication facts

In year 5 children will be using 7s , 6s and 9s to help them to solve problems. Please continue to practise these timetables. If you know them all move on to 11s and 12s! When children are tested they will bring home their scores.

## Education City

You can pick any of your subjects to practise on Education City.

## Reading

Your child will receive a class library book every Friday. These should be returned on a Wednesday. If you wish to make a comment about your child's reading and choice of book, please do so and send them back with their books on a Wednesday.

## Time Tables Rock Stars

You can use Rock Stars to practise your timetables! Can you become a Time Table Rock hero?
