

Well 1H what a year we have had! I have loved getting to know each and every one of you. It has been an absolute pleasure to be your teacher and I am going to miss you next year.

We have had fun times in our classroom, who can remember all our science experiments on our senses? Putting your hands in the feely boxes, putting a blind fold on each other to test our hearing. My favourite was tasting the different fruit and smelling what was in the cups. Better not forget our sight charts!

Another memory I will take with me is learning our compass directions on the playground. Hop North.....skip South.....run West.....gallop East! Then we drew pictures of what we could see when we faced North, South, East and West.

In History, we acted out Rosa Parks on the bus boycott, guessed what the artefacts were from a barge. Who can remember the swim shorts Miss Price tried on!

It hasn't been all fun and games! We have all worked really hard on our Phonics, English and Maths. I am so proud of each and every one of you. It has been hard not to see you all everyday and you have all excepted the situation with great maturity and I know that this will continue when you start Year Two. I want to wish you the best of luck in Year Two, when you see me in the corridor and playground, don't forget to say 'Hello'!

I hope you have a fantastic summer holiday and you come to school in September looking forward to start the next stage in your learning journey.

Take care and happy memories of Year One,

Love from Mrs Halliday
