

Dear 2S,

I hope you're all keeping safe and well.

Even though our time together in year 2 was cut short, we were so lucky to have made so many amazing memories together. From decorating cupcakes, dancing and singing and all the fun learning we did together. I am very proud to have been your class teacher this year. I will miss you all so much. As you move on in your school journey to key stage 2. I want you to continue being determined, resilient and most of all to be happy!! I can't wait to see all your lovely smiley faces when you're back. Thank you to all of you for filling each day with laughter and happiness. Have a safe and enjoyable summer.

Love From Miss Samra x
