

Dear 2F

Well, what a year it has been! I want to start by saying how proud I am of each and every one of you. You have worked so hard the entire year and it was so lovely to see you learn and grown during your time in year 2. Since lockdown, you have continued to work hard, showing your enthusiasm for learning and your incredible resilience. I have loved receiving all your emails and seeing your fabulous work.

We all need to say a huge thank you to the wonderful grown-ups in your life that have been parents, teachers, and superheroes all at once while you have been at home. Grown-ups- I will forever be grateful for how you have worked alongside the school during this challenging time. I have really enjoyed our little chats on the phone (before chatting to the children) and I feel like I know you all better than ever, which has been at least one positive from lockdown!

Children, even though our school year was cut short, I have lots of wonderful memories from our time in year 2. I will always look back and smile at our carpet times where we shared jokes and made each other laugh so much that we needed to calm down before we started our Maths or English! I will remember all the singing and dancing, especially the Continents Song and Herman the Worm, which are still stuck in my head! I will remember how hard you all worked together to decorate our class Christmas tree and how brilliant and creative you all are! I will especially remember our class assembly, where you all showed your individual talents, on the stage and behind the scenes. Most of all, I will remember your shining smiles every morning and your enthusiasm to learn.

I wish you all lots of luck moving to year 3. I know you will all continue to work hard and demonstrate what it means to be kind and thoughtful St Mary's children. You will be in a new class, with a new teacher, but my door will always be open, and I look forward to seeing you all in September!

Have a safe and wonderful summer!

Lots of love from Mrs Freeman xx
