

Dear 3A,

I know this year has not been an ordinary one but I'd like to start off by saying how proud I am of all of you for the hard work and resilience you have shown throughout the year, especially during lockdown. I hope you and your families are safe and well.

During our phone calls, I was pleased to hear about all the work you've been doing and I've even see a few pieces over email. I'm impressed with how dedicated you have been to continue your learning at home. Keep it up!

It's been hard to finish the year without all of you with me. I've missed you very much and wish we could have spent the rest of your time in 3A together. So this is a message to all of you to say that I am proud to be your teacher and I'm so happy that you where my first official class to teach after University. We have made such amazing memories this year and I will never forget you guys.

I hope you have an amazing Summer Holiday and I can't wait to see you back in September, with your new teacher who is very excited to have you.

Lots of love,  
Miss Azam
