

Dear 5SH,

I do hope you are all doing well and are looking forward to the wonderful sunshine I believe we are going to have over the summer holidays.

I was looking through your books yesterday and realised that you did a lot of quality work, even though you were in year 5 for a short time. Can you imagine what you could have achieved if you had a full academic year? You would have reached the stars.

We did have some fun; preparing and performing our class assembly, the Christmas talent show, where the girls performed a play and the plays that you performed in groups on World Book Day. What made me laugh was the investigation on 'Battle of the Beaks' during Science. We all laughed so much (some of you ate the sweets), that most results were inaccurate, but the laughter was all worth it. I am sure you can remember other events that made you smile!

In September, you will be in year 6. All I wish for you is that you touch the stars with talents, determination, perseverance, resilience, and many other qualities, which you all have, to academic success and achievement in whatever you do.

I wish you all the best in year 6. I know you will all do well. I will still be around to play catch with you all.

Walk tall, be proud and be the best you can be.

Have a lovely summer.

Thank you to those of you who left cards and messages

Miss Sullvarna-Hall
