

Dear Children,

I hope you are all doing well and are excited to move onto your secondary schools. I have missed you lots and wish we could have spent the rest of the year together. So, I thought I would write you this letter to let you know how proud and happy I am to be your teacher.

Firstly, thank you for all of the smiles, laughs, fun and hard work that we managed to squeeze in before Covid-19. You are a wonderful class and I will never forget being your teacher - even if it was only for half of the year.

I want you all to know how very proud I am. You have all demonstrated how strong, resilient and truly amazing you are. I want you all to do me a big favour. When you wake up, everyday, I want you to tell yourself you are amazing and you can do anything life throws at you. Do this because you are amazing and you can do whatever is coming next.

The next part of your journey through life will be great and you will have so much fun making new friends and memories. Don't forget about us here at St Mary's, but go forward and enjoy your journey. If you need us we are always here and you can contact me on

Miss you lots and lots!

Love Miss Swords xx
