

Question Wheel

1. Print and stick on card. No printer? Draw two differently sized circles on a piece of paper, divide each into 7 and add in the question words.
2. Cut out the two circles.
3. Place the smaller circle on top of the larger circle.
4. Use a split pin to join the two circles. No pin? Then push a pencil carefully through the centre of the small wheel and then through the centre of the larger wheel.
5. Twist the inner circle to select a pair of words.
6. Use the words to help create question.
